Dear Participant,

Combination of SEGRO plc with Prologis, Inc. – what this means for your DSBPs

PLEASE READ ALL THE CONTENTS OF THIS LETTER CAREFULLY.

IF THE COMBINATION COMPLETES, YOUR DSBPs WILL VEST EARLY AUTOMATICALLY. BY DEFAULT, YOU WILL RECEIVE 0.0920 PROLOGIS SHARES FOR EACH SEGRO SHARE (THE "SHARE FOR SHARE OUTCOME"). YOU DO NOT HAVE TO TAKE ANY ACTION FOR THIS TO HAPPEN.

YOU ONLY NEED TO TAKE ACTION IF YOU DO NOT WANT TO RECEIVE THE SHARE FOR SHARE OUTCOME BUT YOU WOULD LIKE TO INSTEAD RECEIVE THE PARTIAL CASH ALTERNATIVE. THIS LETTER EXPLAINS THE OPTIONAL ACTION THAT YOU MAY TAKE SHOULD YOU WISH TO ELECT TO RECEIVE THE PARTIAL CASH ALTERNATIVE.

1. Why are we writing to you?

Prologis, Inc. ("**Prologis**") and SEGRO plc ("**SEGRO**") announced on 4 August 2026 that they had agreed the terms of a recommended offer for SEGRO (the "**Combination**").

The letter explains how the Combination will impact your DSBPs granted in 2024, 2025 and/or 2026 and the optional action you can take to elect for the Partial Cash Alternative.

No action is required unless you want to choose the Partial Cash Alternative. This letter explains how to make that choice.

If the Combination completes after 28 April 2027, the 2023 DSBP (granted in 2024) will vest as usual, and this letter will only apply to your other DSBPs.

Please refer to Appendix 1 on page 5 of this letter which explains some of the key words and phrases that are used in this letter and other documents. Some important notes are also included at the end of this letter in Appendix 2.

2. What will happen to my DSBPs?

If the Combination completes, your DSBPs are expected to vest early on the Court Sanction Date, which is currently expected during the first half of 2027. If your DSBPs vest, the SEGRO Shares you receive on the vesting of your DSBPs will be transferred automatically to Prologis as part of the Combination.

If under the DSBP rules your DSBPs vest or lapse prior to the Court Sanction Date, then there is no early vesting as a result of the Combination.

If your DSBPs vest prior to the Court Sanction Date, and you retain the SEGRO Shares you receive on the vesting of your DSBPs until 6.00 p.m. (London time) on the Court Sanction Date (which is called the "**Scheme Record Time**"), they will be transferred automatically to Prologis as part of the Combination.

3. What will I receive?

The default outcome: Prologis Shares

Unless you take action and choose otherwise, you will automatically receive 0.0920 Prologis Shares for each SEGRO Share you receive on vesting of your DSBPs, rounded down to the nearest whole Prologis Share – this is called the "**Share for Share Outcome**" in this letter. The number of SEGRO Shares you receive on the vesting of your DSBPs will be reduced to cover any income tax and employee's social security contributions due, and so the number of Prologis Shares you receive will be correspondingly reduced.

The optional Partial Cash Alternative

Instead of the default Share for Share Outcome, you may choose to receive some, or potentially all, of the value for your SEGRO Shares received on vesting of your DSBPs in cash instead of in Prologis Shares. If you want to receive cash, you need to make an election – this election is called the "**Partial Cash Alternative Election**".

The Partial Cash Alternative Election is optional and you should consider your own personal tax and financial circumstances before making a decision. See section 4 for further details including about how any such Partial Cash Alternative Election in excess of the Basic Cash Entitlement is subject to scale back.

Whether you choose the default Share for Share Outcome or the Partial Cash Alternative, any Prologis Shares that you receive will be transferred to you as soon as reasonably practicable after the Combination is completed and you will hold those Prologis Shares through Prologis' platform, E*TRADE. Prologis will be in touch in due course with further information on how to sign up to E*TRADE and how to sell your Prologis Shares using E*TRADE after the Combination completes should you wish to.

4. How does the Partial Cash Alternative work?

Under the Partial Cash Alternative Election, you can choose to receive a combination of cash and Prologis Shares (rather than only Prologis Shares), or just cash, for each SEGRO Share you receive on the vesting of your DSBPs. You can choose to receive:

- the "**Basic Cash Entitlement**", which as at the date of this letter is approximately 258 pence in cash and 0.0690 Prologis Shares for each SEGRO Share subject to adjustment as set out in the Scheme Document; or

- a cash amount that is more than, or less than, the Basic Cash Entitlement, with the number of

Prologis Shares you receive reduced or increased accordingly depending on how much cash you elect for. However, any election for cash more than the Basic Cash Entitlement is subject to a scale back reduction (see below).

Important limit on the cash available: There is a maximum total amount of cash available under the Partial Cash Alternative of £3,509,777,110.70 (the "**Maximum Cash Amount**"). **This means that electing for the Partial Cash Alternative does not guarantee that you will receive the amount of cash you have asked for**.

If valid Partial Cash Alternative Elections exceed the Maximum Cash Amount, elections to receive cash in excess of the Basic Cash Entitlement will be reduced proportionately (rounding down any fractions to the nearest whole number). Any remaining value will be delivered in Prologis Shares.

If you validly make a Partial Cash Alternative Election, any cash due to you will be paid to you via payroll or such other means as SEGRO and Prologis may determine (less any deductions for income tax and employee's social security contributions) as soon as reasonably practicable after SEGRO receives the funds from Prologis after the Combination completes.

5. Do I need to do anything?

No action is needed if you are happy to receive the default Share for Share Outcome.

You only need to take action if you want to receive the Partial Cash Alternative (see section 4 above). To do this, you must make an election through the Equiniti Share Plan Portal at http://www.esp-portal.com/clients/SEGRO and follow the instructions on the Equiniti Share Plan Portal.

If you wish to make a Partial Cash Alternative Election, you must do so by no later than 10 working days before the Court Sanction Date (or any other deadline notified to you). If you do not make a valid election by the deadline, you will receive the default Share for Share Outcome (i.e. Prologis Shares).

6. What about dividend equivalents?

If your DSBPs vest, you will receive dividend equivalents on the vested shares as a cash payment as usual to reflect the value of any SEGRO dividends that would have been paid during the period between the award date and the vesting date of your DSBPs, subject to any deductions for income tax and employee's social security contributions.

7. Tax Information

Please refer to the Tax Guide outlining the tax implications applicable to your DSBPs, including the Partial Cash Alternative. The Tax Guide will be available to view by logging onto the Equiniti Share Plan Portal at http://www.esp-portal.com/clients/SEGRO in the coming days.

The Tax Guide and this letter do not provide personal legal, tax or financial advice. Your position will depend on your individual circumstances. SEGRO, Prologis and Equiniti cannot advise you which choice to choose. If you are unsure, you should obtain independent professional advice.

You will be responsible for any income tax and employee's social security contributions liability arising in connection with your DSBPs, as set out in the "**Conditional Share Awards: Terms and**

Conditions" document available to view on the Equiniti Share Plan Portal. It is important that you read that document.

8. What happens if I leave SEGRO before my DSBPs vest?

The normal leaver provisions in the DSBP rules will apply to your DSBPs if you leave SEGRO before your DSBPs vest, subject to their terms. This means the treatment set out in this letter may not apply and your DSBPs may lapse. The DSBP rules are available on the Equiniti Share Plan Portal or from [redacted].

9. What if the Combination does not complete?

The Combination must be approved by the Court. If the Court does not approve the Combination for any reason, your DSBPs will continue as usual under the DSBP rules and they will vest on their usual vesting dates. If the Court approval of the Combination is delayed beyond the first half of 2027, we will write to you again with any relevant changes.

10. Where can I find more information?

- Read the Tax Guide when it becomes available on the Equiniti Share Plan Portal.
