## Attending the Annual General Meeting

If you are able to attend the Annual General Meeting, please bring your Attendance Card with you. It authenticates your right to attend, speak and vote at the Annual General Meeting and will speed up your admission.

All joint holders can attend and speak at the Annual General Meeting, however, only the first shareholder listed on the Register of Members can vote.

The Directors believe that, in the interest of shareholder democracy, it is critical that the voting intentions of all members are taken into account, not just those who are able to attend the Annual General Meeting. We therefore propose to put all resolutions at the Annual General Meeting to shareholders by way of poll rather than show of hands. The Directors consider that a poll is more democratic since it allows the votes of all shareholders to be counted. Shareholders attending the Annual General Meeting will still have the opportunity to ask questions, form a view on the points raised and vote on each resolution.

The map and directions to the Annual General Meeting venue can be found at the back of this document.

# Annual General Meeting Resolutions

## – Notes

**The following pages provide an explanation of the resolutions which are to be proposed at this year's Annual General Meeting. The Notice can be found on pages 4 and 5.**

Resolutions 1 to 16 (inclusive) will be proposed as ordinary resolutions, and resolutions 17 to 21 (inclusive) will be proposed as special resolutions.

For a resolution proposed as an ordinary resolution to be passed, more than half of the votes cast must be in favour of the resolution.

For a resolution proposed as a special resolution to be passed, not less than 75 per cent of the votes cast must be in favour of the resolution.

### **Ordinary Resolutions**

***Resolution 1 – To receive the financial statements and the reports of the Directors and the auditor for the financial year ended 31 December 2025.***

For each financial year, the Directors must present the Company's Financial Statements, the Directors' Report and the Auditor's Report to the shareholders at a general meeting. The 2025 Annual Report and Accounts will be made available to shareholders on 13 March 2026 on the Company's website.

***Resolution 2 – To declare a final dividend of 21.4 pence per ordinary share.***

The Company paid an interim dividend of 9.7 pence per ordinary share on 19 September 2025 (with the entire amount being an Ordinary Dividend). The Directors recommend a final dividend of 21.4 pence per ordinary share to be paid entirely as a Property Income Distribution in respect of the year ended 31 December 2025, bringing the total for the year to 31.1 pence per ordinary share.

Subject to approval by shareholders, the final dividend will be paid on 8 May 2026 to shareholders on the Register of Members as at the close of business on 27 March 2026.

***Resolution 3 – To approve the Directors' Remuneration Report for the financial year ended 31 December 2025.***

This resolution deals with the remuneration of the Directors and seeks approval for the remuneration paid to the Directors during the year under review.

The Directors are required to prepare an annual report detailing the remuneration of the Directors and a statement by the Chair of the Remuneration Committee (together, the Directors' Remuneration Report). The Company is required to seek shareholders' approval in respect of the contents of this report on an annual basis. This is an advisory vote.

The Directors' Remuneration Report is set out on pages 106 to 124 of the 2025 Annual Report and Accounts.

***Resolutions 4 to 11 – Re-election of Andy Harrison, Mary Barnard, Sue Clayton, Carol Fairweather, Simon Fraser, David Sleath, Marcus Sperber and Linda Yueh.***

The Company's Articles require all directors to retire at each annual general meeting and provides that they may offer themselves for re-election. Accordingly, all Directors will submit themselves for re-election by shareholders.

The performance of the Directors is considered each year and the Board has confirmed that all Directors continue to perform effectively, are appropriately skilled and experienced and have demonstrated commitment to their respective roles.

The Company's Nomination Committee is cognisant of some shareholders' concerns in respect of potential overboarding and has considered the commitments of all of the Company's Non-Executive Directors. It has concluded that each of them has sufficient time to commit to the Company and are not overboarded. Any conflicts of interest are recorded and approved by the Board at each meeting. Directors have a duty to keep the Board updated about any changes to these conflicts. Additionally, attendance levels at Board and Committee meetings are monitored and any absences explained in the Annual Report.

The Board is satisfied that each of the Non-Executive Directors continues to be independent in accordance with the 2024 UK Corporate Governance Code, and that their individual contributions are, and continue to be, important to the Company's long-term sustainable success.

Biographies of all the Directors seeking re-election are set out in Appendix 1.

***Resolution 12 – Election of Susanne Schroeter.***

Susanne Schroeter was appointed as an Executive Director with effect from 1 December 2025.

The Articles require any Director who has been appointed by the Board since the last annual general meeting to stand for election as a Director by the shareholders at the following annual general meeting. Accordingly, Susanne Schroeter is seeking election as an Executive Director at this Meeting.

The Board is satisfied that Susanne Schroeter performs her role effectively, is appropriately skilled and experienced and has demonstrated commitment to her role since joining the Company.

A biography for Susanne Schroeter is set out in Appendix 1.

***Resolution 13 – To reappoint PricewaterhouseCoopers LLP as the Company's auditor to hold office from the conclusion of this Annual General Meeting until the conclusion of the next general meeting at which financial statements are laid before the Company.***

The Board, on the advice of the Audit Committee, recommends that PricewaterhouseCoopers LLP be reappointed as auditor of the Company.

***Resolution 14 – To authorise the Audit Committee to determine (on behalf of the Board) the remuneration of the auditor.***

The shareholders of the Company are requested to authorise the Audit Committee (on behalf of the Board) to agree the level of the auditor's remuneration.

***Resolution 15 – To authorise political donations under the Act.***

The Company's policy is not to make any donations to political parties. However, the Act contains restrictions on companies making political donations and incurring political expenditure and it defines these terms very widely. Although the Company does not intend to make political donations or incur political expenditure as the term is currently understood, this authority will ensure that the Company and its subsidiaries do not commit any technical breach that could arise from the wide definitions contained within the Act when carrying on their normal business activities. As required by the Act, this resolution is in general terms and does not purport to authorise particular donations or expenditure. No political donations were made by the Company or its subsidiaries during the year ended 31 December 2025.

**Resolution 16 – Authority to allot shares.**

Resolution 16 gives the Directors the authority to allot ordinary shares (or grant rights to subscribe for or to convert any security into ordinary shares) up to a maximum nominal amount of £45,116,510.87 (representing 451,165,108 ordinary shares). Such amount represents approximately one third of the Company's issued ordinary share capital as at 6 March 2026 (being the last practicable date prior to the publication of this Notice), which is consistent with the Investment Association (IA) guidance limit.

The authority will expire (unless previously renewed, varied or revoked) at the earlier of close of business on 22 July 2027 and the end of the Company's next annual general meeting in 2027.

The Company does not currently hold treasury shares.

The Directors have no present intention to exercise the authority sought under resolution 16, except in relation to potential use under the Company's scrip dividend scheme.

**Special Resolutions**

**Resolutions 17 and 18 – Disapplication of pre-emption rights.**

The authorities granted under resolutions 17 and 18 referred to below will allow the Company to allot ordinary shares for cash under resolution 16 without first offering them to existing shareholders in proportion to their existing shareholding up to a maximum of 20 per cent of the Company's issued share capital only, which is in line with the Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights last issued in November 2022.

The Directors believe that the combined authority to disapply pre-emption rights in respect of up to 20 per cent of the Company's issued share capital, sought under resolutions 17 and 18, provides the Company with sufficient flexibility to make a follow-on offer, consistent with past practice, and therefore additional specific authority of a further four per cent of the Company's issued share capital, as envisaged by the Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights last issued in November 2022, has not been sought this year, although this will be kept under review for subsequent years.

**Resolution 17 – General power to disapply pre-emption rights.**

Resolution 17 will give the Directors authority, in certain circumstances, to allot ordinary shares pursuant to the authority granted under resolution 16, or sell treasury shares, for cash without first offering them to existing shareholders in proportion to their existing shareholding.

The authority would be limited to allotment or sales:

- (a) in connection with pre-emptive offers and offers to holders of other equity securities if required by the rights of such securities or as the Directors otherwise consider necessary; and
- (b) otherwise up to a maximum nominal value of £13,534,953.26 (representing 135,349,532 ordinary shares). This aggregate nominal amount represents approximately 10 per cent of the Company's issued ordinary share capital as at 6 March 2026 (the last practicable date prior to the publication of this Notice).

The authority will expire (unless previously renewed, varied or revoked) at the earlier of close of business on 22 July 2027 and the conclusion of the Company's next annual general meeting.

**Resolution 18 – Specific power to disapply pre-emption rights in connection with an acquisition or specified capital investment.**

The authority set out in resolution 18 is in addition to that proposed by resolution 17 and would be limited to allotments or sales up to a maximum nominal value of £13,534,953.26 (representing 135,349,532 ordinary shares) as at 6 March 2026 (being the last practicable date prior to the publication of this Notice) and representing approximately 10 per cent of the Company's issued share capital.

This additional authority is to be used for the purpose of financing (or refinancing, if the authority is to be used within 12 months after the original transaction) a transaction which the Directors determine to be an acquisition or other capital investment of a kind contemplated by the Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights last issued in November 2022, and for the purpose of funding the Company's development pipeline as described in the 2025 Annual Report and Accounts.

The Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights last issued in November 2022, state that, in addition to the standard annual disapplication of pre-emption rights which permits companies to issue for cash on a non pre-emptive basis equity securities representing no more than 10 per cent of the Company's issued ordinary share capital, the Pre-Emption Group is supportive of extending the general disapplication power by an amount equal to 10 per cent of a company's issued ordinary share capital for certain purposes. In accordance with the provisions of the Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights last issued in November 2022, the Company confirms its intention that the additional power sought by the Company pursuant to this resolution (equal to 10 per cent of the issued ordinary share capital of the Company) can be used in connection with one or more acquisitions or specified capital investments, which are announced contemporaneously with the relevant issue. The Pre-Emption Group recommends that this additional 10 per cent authority be sought in a separate resolution, which is the approach the Company has taken this year.

The Company also seeks authority to use this additional power for the purposes of funding its development pipeline. As a Real Estate Investment Trust, the Company is obliged to distribute 90 per cent of its UK rental profits to shareholders and accordingly cannot retain sufficient earnings to fund its development pipeline. The Company would use this authority to fund the development of specific projects for the purpose of expanding its portfolio and creating assets to hold in line with its strategy as a long-term property investor.

The authority will expire (unless previously renewed, varied or revoked) at the earlier of the close of business on 22 July 2027 and the conclusion of the Company's next annual general meeting.

If the powers in resolutions 17 and 18 are used in relation to a non-pre-emptive offer, the Directors confirm their intention to follow the shareholder protections in Part 2B of the Pre-Emption Group's Statement of Principles on Disapplying Pre-Emption Rights last issued in November 2022.

**Resolution 19 – To authorise the Company to make market purchases of its ordinary shares.**

Resolution 19 gives the Company authority to buy back its own ordinary shares in the market as permitted by the Act.

With the authority of shareholders, the Company is empowered by its Articles to buy back its own ordinary shares in the market as permitted by the Act. This authority sets minimum and maximum prices and limits the number of shares that could be purchased to a maximum of 135,349,532 shares, representing approximately 10 per cent of the Company's issued share capital as at 6 March 2026 (the last practicable date prior to the publication of this Notice).

The Company renewed its authority to purchase its own shares at the annual general meeting in 2025 and no shares have been purchased pursuant to this authority. The Directors now seek to renew this general authority, which will be exercised only if, in the opinion of the Directors, this will result in an increase in earnings per share and would be in the best interests of the Company and its shareholders generally, given the market conditions and the price prevailing at the time. The Board has no present intention to exercise this authority. This general authority will be renewable annually.

The Act permits companies to hold any shares acquired by way of market purchase in treasury rather than having to cancel them. The Company would consider holding any of its own shares purchased under the authority granted by resolution 19 as treasury shares.

This would give the Company the ability to re-issue the treasury shares as and when required quickly and in a cost effective manner and would provide additional flexibility in the management of the Company's capital base. No dividends would be paid on shares while held in treasury and no voting rights would attach to those shares. However, prevailing circumstances may mean that the shares are cancelled immediately on repurchase.

As at 6 March 2026 (the last practicable date prior to the publication of this Notice) the total number of options to subscribe for equity shares outstanding was 342,402, which represents approximately 0.03 per cent of the issued ordinary share capital of the Company and would, assuming no further ordinary shares are issued, represent approximately 0.03 per cent of the issued share capital of the Company if full authority to purchase shares (under both the existing authority and that being sought at this year's Annual General Meeting) was used.

The Company does not currently hold treasury shares.

**Resolution 20 – To enable a general meeting other than an annual general meeting to be held on not less than 14 clear days' notice.**

In accordance with the Act the notice period required for general meetings of the Company is 21 clear days unless shareholders approve a shorter notice period which cannot, however, be less than 14 clear days. The Company would like to have the ability to call general meetings (other than annual general meetings) on less than 21 clear days' notice. Resolution 20 seeks such approval.

Annual general meetings will continue to be held on at least 21 clear days' notice.

The shorter notice period would not be used as a matter of routine for such meetings, but only where flexibility is merited by the business of the meeting and is thought to be in the interests of shareholders as a whole. In accordance with the Act, the Company will also continue to meet the requirements for electronic voting. The approval will be effective until the next annual general meeting when it is intended that a similar resolution will be proposed.

**Resolution 21 – Adoption of New Articles of Association.**

It is proposed that the Company adopt new Articles of Association (the New Articles) to update the Company's current Articles, which were adopted on 18 April 2020 (the Current Articles), primarily to reflect developments in best market practice since the Current Articles were adopted, as well as to provide additional clarification and flexibility. Given the extent of the changes, the Company proposes to adopt entirely New Articles (rather than make amendments to the Current Articles). Set out in Appendix 2 is a summary of the principal changes to the Current Articles. All references in Appendix 2 are to the New Articles. Other changes, which are of a minor, technical or clarifying nature have not been noted in Appendix 2. The New Articles will be available for inspection by shareholders on the National Storage Mechanism (accessible at <https://data.fca.org.uk/#/nsm/nationalstoragemechanism>) from the date of publication of this Notice, during usual business hours on any weekday (public holidays excepted) at the Company's registered office, at [www.SEGRO.com](http://www.SEGRO.com), and at the place of the Annual General Meeting from 30 minutes prior to its commencement until its conclusion.

## 1. Entitlement to attend and vote

To be entitled to attend and vote at the Annual General Meeting, shareholders must be registered in the Register of Members of the Company at 6.30 p.m. on 21 April 2026 (or, in the event of any adjournment, by close of business on the date which is two business days before the adjourned meeting). Changes to the Register of Members after the relevant deadline shall be disregarded in determining the rights of any person to attend and vote at the Annual General Meeting.

All joint holders can attend and speak at the Annual General Meeting, however, only the first shareholder listed on the Register of Members can vote.

## 2. Appointment of proxies

Any shareholder of the Company entitled to attend, speak and vote at the Annual General Meeting may appoint one or more proxies to attend, speak and vote instead of them. A shareholder may appoint more than one proxy in relation to the Annual General Meeting provided that each proxy is appointed to exercise the rights attached to a different share or shares held by the shareholder. If more than one proxy is appointed, the appointment of each proxy must specify the shares held by the shareholder in respect of which each proxy is to vote.

In the case of most joint holders, where more than one of the joint holders purports to appoint a proxy, only the appointment submitted by the most senior will be accepted. Seniority is determined by the order in which the names of the joint holders appear in the Company's Register of Members in respect of the joint holding (the first-named being the most senior).

A proxy does not need to be a shareholder of the Company but must attend the Annual General Meeting to represent the shareholder. We encourage shareholders to appoint the Chair of the Meeting as proxy. This will ensure that your vote is counted even if you are unable to attend for whatever reason. Details of how to appoint the Chair of the Meeting or another person as your proxy using the Proxy Form are set out in the notes to the Proxy Form. If a shareholder wishes a proxy to speak on their behalf at the Annual General Meeting, a proxy of their own choice (not the Chair of the Meeting) must be appointed and given direct instruction.

Appointment of a proxy via a Proxy Form, the Proximity platform or CREST will not subsequently preclude a shareholder from attending and voting at the Annual General Meeting if they wish to do so.

A Proxy Form, which may be used to make such an appointment and give proxy instructions, or an Online Voting Instruction Card accompanies this Notice. If you do not have a Proxy Form and believe that you should have one, or if you require additional forms, please contact our Registrar, Equiniti Limited, using the contact details listed in note 17.

The Proxy Form, any instrument appointing a proxy, together with any power of attorney or other authority under which it was signed (or a notarial certified copy or duly certified copy thereof), to be valid, must be received by post at Equiniti Limited, Aspect House, Spencer Road, Lancing, West Sussex BN99 6DA no later than 11.00 a.m. on 21 April 2026, or in the event of an adjournment, not less than two business days before the stated time of the adjourned meeting.

Shareholders can also register the appointment of a proxy or proxies online by logging onto [www.shareview.co.uk](http://www.shareview.co.uk). To use this service shareholders will need to create an online portfolio using the Shareholder Reference Number printed on the accompanying Proxy

Form or Online Voting Instruction Card. Full details of the procedure are given on the website. Alternatively, shareholders who have already registered with Equiniti's online portfolio service, Shareview, can appoint a proxy or proxies by logging on to their portfolio at [www.shareview.co.uk](http://www.shareview.co.uk) using their usual user ID and password. Once logged in, click 'View' on the 'My Investments' page, click on the link to vote, then follow the on screen instructions. The proxy appointments and instructions must be received by Equiniti Limited by no later than 11.00 a.m. on 21 April 2026, or in the event of an adjournment, not less than two business days before the stated time of the adjourned meeting.

The right to appoint a proxy does not apply to persons whose shares are held on their behalf by another person and who have been nominated to receive communications from the Company in accordance with section 146 of the Act (nominated persons).

Nominated persons may have a right under an agreement with the registered shareholder who holds the shares on their behalf to be appointed (or to have someone else appointed) as a proxy. Alternatively, if nominated persons do not have such a right, or do not wish to exercise it, they may have a right under such agreement to give instructions to the person holding the shares as to the exercise of voting rights.

If you are an institutional investor, you may be able to appoint a proxy electronically via the Proximity platform, a process which has been agreed by the Company and approved by the Registrar. For further information regarding Proximity, please go to [www.proximity.io](http://www.proximity.io). Your proxy must be lodged by 11.00 a.m. on 21 April 2026 in order to be considered valid. Before you can appoint a proxy via this process you will need to have agreed to Proximity's associated terms and conditions. It is important that you read these carefully as you will be bound by them and they will govern the electronic appointment of your proxy.

## 3. Electronic proxy appointment through CREST

CREST members who wish to appoint a proxy or proxies by utilising the CREST electronic proxy appointment service may do so for the Annual General Meeting and any adjournment(s) thereof by utilising the procedures described in the CREST Manual (available via [www.euroclear.com](http://www.euroclear.com)). CREST Personal Members or other CREST sponsored members, and those CREST members who have appointed a voting service provider(s), should refer to their CREST sponsor or voting service provider(s), who will be able to take the appropriate action on their behalf.

In order for a proxy appointment made by means of CREST to be valid, the appropriate CREST message (CREST Proxy Instruction) must be properly authenticated in accordance with Euroclear UK & Ireland Limited's specifications and must contain the information required for such instructions, as described in the CREST Manual. The message, regardless of whether it constitutes the appointment of a proxy or as an amendment to the instruction given to a previously appointed proxy, must, in order to be valid, be transmitted so as to be received by the issuer's agent (ID RA19) by the latest time(s) for receipt of proxy appointments specified in this Notice. For this purpose, the time of receipt will be taken to be the time (as determined by the timestamp applied to the message by the CREST Applications Host) from which the issuer's agent is able to retrieve the message by enquiry to CREST in the manner prescribed by CREST. After this time, any change of instructions to proxies appointed through CREST should be communicated to the appointees by other means.

CREST members and, where applicable, their CREST sponsor(s) or voting service provider(s) should note that Euroclear UK & Ireland Limited does not make available special procedures in CREST for any particular messages. Normal system timings and limitations will therefore apply in relation to the input of CREST Proxy Instructions.

It is the responsibility of the CREST member concerned to take (or, if the CREST member is a CREST Personal Member or sponsored member or has appointed a voting service provider(s), to procure that their CREST sponsor(s) or voting service provider(s) take(s) such action as shall be necessary to ensure that a message is transmitted by means of the CREST system by any particular time. In this connection, CREST members and, where applicable, their CREST sponsor(s) or voting service provider(s) are referred, in particular, to those sections of the CREST Manual concerning practical limitations of the CREST system and timings.

The Company may treat as invalid a CREST Proxy Instruction in the circumstances set out in Regulation 35(5)(a) of the Uncertified Securities Regulations 2001.

#### 4. Corporate representatives

Any corporation which is a shareholder can appoint one or more corporate representatives who may exercise on its behalf all of its powers as a shareholder provided they do not do so in relation to the same shares.

#### 5. Euroclear France members

Euroclear France members should refer to the notice provided by BNP Paribas Securities Services for details of the process for exercising their voting rights and appointing a proxy or proxies.

#### 6. Share Incentive Plan Form of Direction

Share Incentive Plan participants are able to direct Equiniti Share Plan Trustees, the Trustee of the SEGRO plc Share Incentive Plan, to vote in relation to their shares held in the Share Incentive Plan on their behalf at the Annual General Meeting by going to [www.esp-portal.com/clients/SSO/esp/SEGRO](http://www.esp-portal.com/clients/SSO/esp/SEGRO) (or [www.esp-portal.com/clients/SEGRO](http://www.esp-portal.com/clients/SEGRO) from outside of the SEGRO network). The instruction must be received no later than 11.00 a.m. on 20 April 2026.

#### 7. Shareholder communications

The 2025 Annual Report and Accounts are made available to all members of the Company and registered holders of debenture and loan stocks but only holders of ordinary shares are entitled to attend and vote at the Annual General Meeting.

As an alternative to receiving documentation through the post, the Company offers shareholders the option to receive communications and documents (including Annual Reports and Proxy Forms, etc.) electronically. If you wish to make such an election, you can register on Equiniti's online portfolio service, Shareview, at [www.shareview.co.uk](http://www.shareview.co.uk). It should be noted that you will need to input your unique Shareholder Reference Number which can be found on your Proxy Form. If you have already made such an election, you need to take no further action. Registration is entirely voluntary and you can change your election at any time.

#### 8. Voting

As at previous annual general meetings, voting on each resolution will be conducted by way of a poll. The Directors consider that a poll is more democratic since it allows the votes of all shareholders to be counted.

The voting results from the Annual General Meeting will be released to the London Stock Exchange and Euronext, Paris following the conclusion of the Annual General Meeting, and will also be made available on the Company's website at [www.SEGRO.com](http://www.SEGRO.com).

You may have the right to request certain information to enable you to determine that your vote on a poll was validly recorded and counted. You can do this by contacting Equiniti no later than 30 days from the date of the Annual General Meeting using the contact details set out in note 17.

# Appendix 2

## The Adoption of New Articles

A summary of the principal changes introduced by the New Articles is set out below:

### 1. General

The opportunity has been taken generally to update the Articles to reflect developments in market practice, provide additional clarity and flexibility, and update provisions according to the Act.

As mentioned above, the New Articles will be available for inspection by shareholders on the National Storage Mechanism (accessible at <https://data.fca.org.uk/#/nsm/nationalstoragemechanism>) from the date of publication of this Notice, during usual business hours on any weekday (public holidays excepted) at the Company's registered office, at [www.SEGRO.com](http://www.SEGRO.com), and at the place of the Annual General Meeting from 30 minutes prior to its commencement until its conclusion.

### 2. Untraced Shareholders and Forfeiture of Unclaimed Dividends (Articles 42 and 119)

Under the Current Articles, the Company is entitled to sell shares held by untraceable shareholders provided that the shareholder has not contacted the Company or cashed a dividend for twelve years, the Company has taken reasonable steps to trace them and the Company has sent notice of its intention to sell the shares to their last known address and no response is received within three months. The Current Articles require the proceeds from the sale of shares of untraced shareholders to be paid to the relevant shareholder upon request, until six years following the sale at which point the proceeds are deemed to be forfeited and belong to the Company instead. The New Articles update this provision in line with market practice, by removing the six-year time period before such sale proceeds are forfeited. The New Articles also provide for any dividends or sums in relation to such forfeited shares that have not been claimed to belong to the Company upon sale.

In line with evolving market practice, the New Articles also reduce the period of time that must elapse before an unclaimed dividend can be forfeited from twelve years to six years.

### 3. Changes to Arrangements for General Meetings (Article 52)

The New Articles provide for greater certainty and flexibility for the Directors in altering the arrangements for a General Meeting. The New Articles remove the requirement in the Current Articles for Directors to publish any changes in two national newspapers and to take reasonable steps to ensure that any shareholder trying to attend the meeting at its original time and place is informed of new arrangements. The New Articles instead allow the Directors to decide how shareholders should be informed in the circumstances. In practice, the Company anticipates this will be done by way of an announcement via a Regulatory Information Service (or equivalent) and its website.

### 4. Security, Health and Safety and Access Arrangements (Article 55)

To ensure the safety of shareholders and to facilitate the orderly conduct at General Meetings, the New Articles have been updated to allow General Meeting arrangements to be amended (including by the secretary) to ensure the health (as well as safety) of attendees. The New Articles confirm that a notice of meeting does not have to give details of any such arrangements or restrictions.

### 5. Annual Retirement of Directors (Article 82)

The New Articles clarify that Directors retire annually if they are on the Board at the date an Annual General Meeting notice is published. This amendment allows a Director to be appointed between the date of an Annual General Meeting notice being published and the date of the Annual General Meeting.

### 6. Directors' Fees and Additional Remuneration (Articles 89 and 90)

The Current Articles specify the maximum aggregate remuneration of Non-Executive Directors as £1,000,000 per annum, subject to the shareholders authorising a higher amount by ordinary resolution. The New Articles increase this maximum to £1,500,000 in line with market practice. The Company has no current intention to make any material changes to Directors' fees beyond ordinary course changes from time to time. Further information on the Company's approach to Directors' remuneration can be found in the Directors' Remuneration report for the year ended 31 December 2025, as set out on pages 106 to 124 of the 2025 Annual Report.

The New Articles also make it clear that service by a Director on a committee of the Company may constitute a special or extra service for which the Board may grant special remuneration.

### 7. Directors below Minimum through Vacancies (Article 103)

The Current Articles provide that, where the number of Directors has fallen below the minimum number under the Current Articles, the remaining Directors may only act to appoint further Directors. To prevent a scenario in which there is no functioning board for a period of time, the New Articles allow the remaining Directors to perform other duties to ensure the Company remains a going concern.

### 8. Method of Service and Deemed Delivery (Articles 127 and 131)

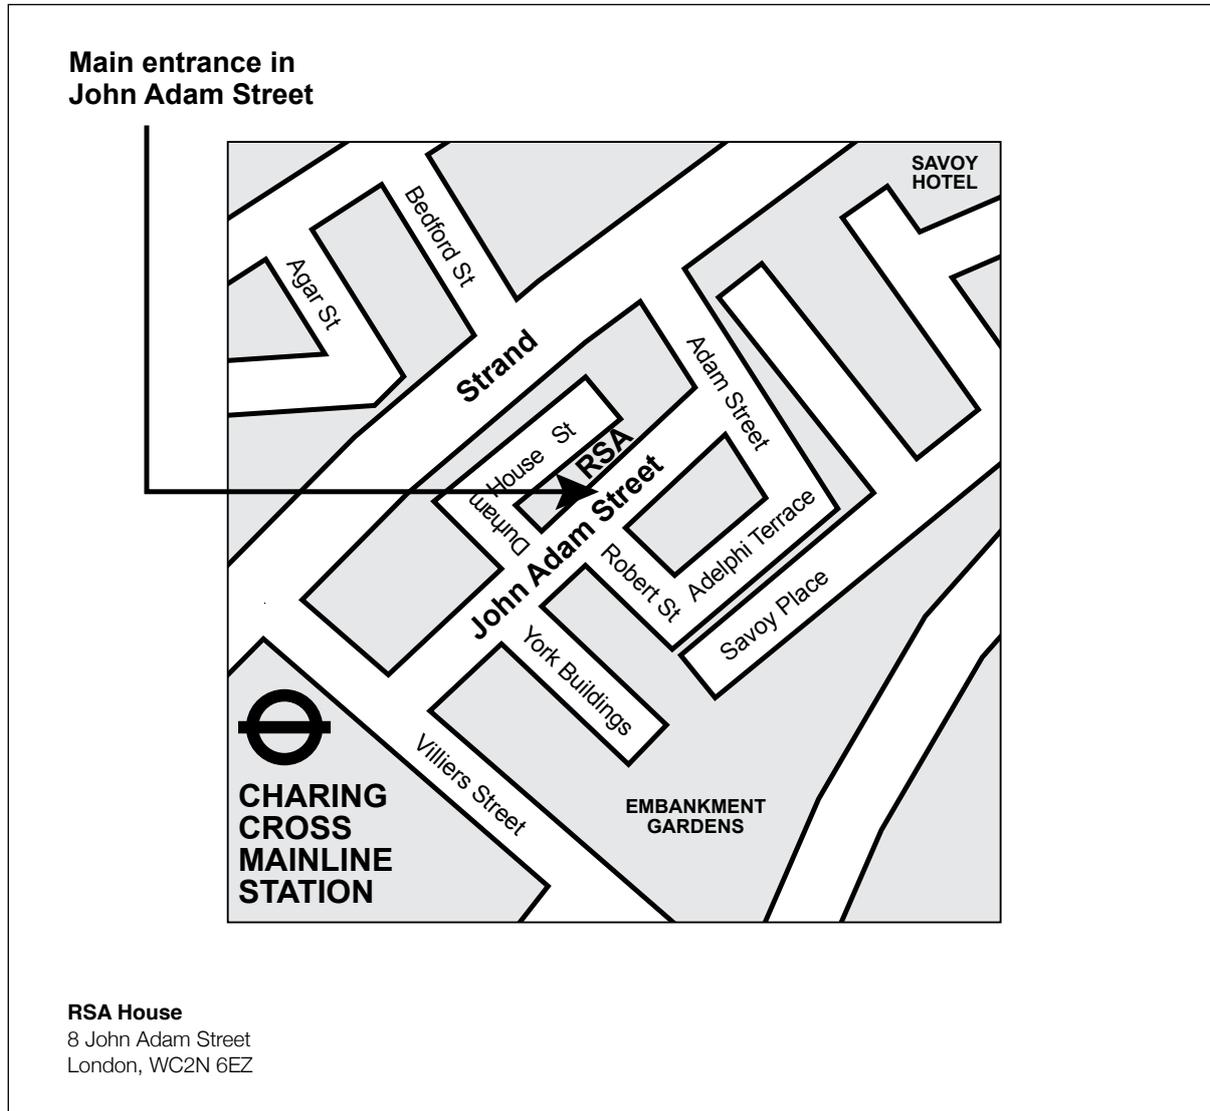

The New Articles reduce the number of attempts (from three to two attempts) after which the Company can stop sending documents to a shareholder if they are returned. The New Articles also require shareholders whose registered address is outside the UK to provide the Company with a UK postal address or e-mail address in order to receive documents in relation to the Company.

The New Articles clarify that electronic notices are deemed delivered when they are sent by the Company and that a new shareholder will be bound by notices relating to their shares which are sent to the former shareholder up until the time when the new shareholder is entered into the Company's register of members.

These amendments are to ensure compliance with notice requirements under the Act whilst balancing the administrative burden on the Company with the need to safeguard shareholder rights.
