5.	How to use this Book of Reference
Part 1	
Part 2	
Part 3	
Part 4	
Part 5	

1 Introduction

- 1.1 This Book of Reference accompanies the application made by SEGRO Properties Limited (the DCO Applicant) to the Secretary of State pursuant to Part 5 of the Planning Act 2008 (PA 2008) for a Development Consent Order (DCO) for a second phase of its East Midlands Gateway Logistics Park (EMG1) located to the north of East Midlands Airport.
- 1.2 EMG1 is a nationally significant infrastructure development being a Strategic Rail Freight Interchange comprising a rail freight terminal and warehousing. It was authorised by The East Midlands Gateway Rail Freight Interchange and Highway Order 2016 (SI 2016/17) (the EMG1 DCO) and has been substantially completed.
- 1.3 The proposed second phase to EMG1 is referred to as 'East Midlands Gateway 2', 'EMG2', the 'EMG2 Project' or the 'Proposed Development'.

EMG2 Project

- 1.4 The EMG2 Project comprises three main components:

Main Component	Summary of Component	Works Nos.
DCO Application made by the DCO Applicant for the DCO Scheme		
EMG2 Works	Logistics and advanced manufacturing development located on the EMG2 Main Site south of East Midlands Airport and the A453, and west of the M1 motorway. The development includes HGV parking and a bus interchange. Together with an upgrade to the EMG1 substation and provision of a Community Park.	DCO Works Nos. 1 to 5 including relevant Further Works as described in the draft DCO (Document DCO 3.1). DCO Works Nos. 20 and 21 including relevant Further Works as described in the draft DCO (Document DCO 3.1).
Highway Works	Works to the highway network: the A453 EMG2 access junction works (referred to as the EMG2 Access Works); significant improvements at	DCO Works Nos. 6 to 19

	Junction 24 of the M1 (referred to as the J24 Improvements), works to the wider highway network including the Active Travel Link, Hyam's Lane Works, L57 Footpath Upgrade, A6 Kegworth Bypass/A453 Junction Improvements and Finger Farm Roundabout Improvements.	including relevant Further Works as described in the draft DCO (Document DCO 3.1).
MCO Application made by the MCO Applicant for the MCO Scheme		
EMG1 Works	Additional warehousing development on Plot 16 together with works to increase the permitted height of the cranes at the EMG1 rail-freight terminal, improvements to the public transport interchange, site management building and the EMG1 Pedestrian Crossing.	MCO Works Nos. 3A, 3B, 5A, 5B, 5C, 6A and 8A in the draft MCO (Document MCO 3.1).

Consenting Strategy

- 1.5 Two concurrent applications are being made for the three component parts of the EMG2 Project.
- 1.6 The first application, the applicant for which is the DCO Applicant, is for a DCO (the DCO Application) for the EMG2 Works component and the Highway Works component. The DCO Application is made pursuant to section 37 of Part 5 of the PA 2008. The EMG2 Works has been confirmed as a nationally significant project for which a DCO is required by the Secretary of State pursuant to a direction made under section 35 of the PA 2008 dated 21 February 2024 (**Document DCO 6.1B**). Part of the Highway Works, being those works to the strategic road network, are a Nationally Significant Infrastructure Project in their own right pursuant to section 22 of the PA 2008.
- 1.7 The second application, the applicant for which is SEGRO (EMG) Limited (MCO Applicant), is for a Material Change Order to the existing EMG1 DCO (the MCO Application) for the EMG1 Works component. The MCO Application is made pursuant to section 153 and schedule 6 of the PA 2008.
- 1.8 A more detailed description of the EMG2 Project and its components can be found in Chapter 3 of the Environmental Statement (ES) submitted with the applications (**Document DCO 6.3/MCO 6.3**).

Compulsory acquisition

- 1.9 The DCO, if made pursuant to the DCO Application, will authorise the compulsory acquisition of interests and rights in, on or over land to facilitate delivery of the DCO Scheme.
- 1.10 The MCO Application for the MCO Scheme does not seek to secure powers of compulsory acquisition. The MCO Applicant controls all the necessary land interests to deliver the MCO Scheme.

- 1.11 Where compulsory acquisition powers are sought, Regulation 5(2)(d) of the Infrastructure Planning (Applications: Prescribed Forms and Procedure) Regulations 2009 (2009 Regulations) requires the application to be accompanied by a book of reference.
- 1.12 As the MCO Application does not seek powers of compulsory acquisition, this Book of Reference relates only to the DCO Application.

2 Preparation of this Book of Reference

- 2.1 The following paragraphs explain the approach taken by the DCO Applicant in drafting this Book of Reference.
- 2.2 In preparing this Book of Reference, regard has been had to the requirements of the PA 2008 and the 2009 Regulations, and to the guidance set out in the document entitled 'Guidance related to procedures for the compulsory acquisition of land' issued by the then titled Department of Communities and Local Government in September 2013.
- 2.3 This Book of Reference should be read in conjunction with the Land Plans (**Document series DCO 2.2**) and the Statement of Reasons (**Document DCO 4.1**).
- 2.4 Land on which the DCO Scheme may be carried out is identified with a red line on the Land Plans and referred to as 'Order Limits'. It should be noted that any land which is shown hatched black on the Land Plans is outside the Order Limits.
- 2.5 Land proposed to be subject to compulsory acquisition powers under Part 5 of the draft DCO (**Document DCO 3.1**) is referred to as 'Order Land'.
- 2.6 Regulation 7 of the 2009 Regulations sets out what the book of reference must contain. It states that the book of reference should be in five parts.

Part 1

- 2.7 Part 1 must contain the names and addresses for service of each person within Categories 1 and 2 (as set out in section 57 of the PA 2008 (categories for the purposes of section 56(2)(d) of PA 2008) and explained at paragraph 2.8 below) in respect of any land which it is proposed shall be subject to powers of acquisition, rights to use land or rights to carry out protective works to buildings.
- 2.8 Section 57 of the PA 2008 defines Category 1 and 2 persons for the purposes of section 56(2)(d) of the PA 2008 as:
- Category 1: A person is within Category 1 if the applicant, after making diligent inquiry, knows that the person is an owner, lessee, tenant (whatever the tenancy period) or occupier of the land.
 - Category 2: A person is within Category 2 if the applicant, after making diligent inquiry, knows that the person is interested in the land or has the power to sell or convey the land or release the land.
- 2.9 The wording 'interested in the land' means that a person who is within Category 1 will automatically also be within Category 2. Part 1 of this Book of Reference has been drafted in such a way to avoid repetition of persons who fall within both categories:

- Columns (3), (4) and (5) of the table in Part 1 of this Book of Reference list each person who is within Category 1 (and by virtue of their 'interest in the land', are also within Category 2).
 - Column (6) of the table in Part 1 lists those people who fall solely within Category 2 (i.e. each person who is not already within columns (3) to (5) but either has the power to sell, convey or release the land, or has an interest in the land by virtue of an easement or private right over land (the detail of which is contained in Part 3 of this Book of Reference)).
- 2.10 Column (1) of Part 1 refers to the parcel number shown on the Land Plans (**Document series DCO 2.2**).
- 2.11 Column (2) of Part 1 describes the relevant parcel by reference to area and location. The description of some of the parcels in Column (2) of Part 1 of this Book of Reference contain references to interests in land which are not affected by the proposed powers sought in respect of that land parcel. For example, where the DCO Applicant has entered into a voluntary agreement with the freehold owner of the parcel, the Book of Reference confirms that that interest is excluded.
- 2.12 There are some parcels of land shown on the Land Plans (**Document series DCO 2.2**) shaded green which are not proposed to be subject to powers of compulsory acquisition. These parcels are land which is existing adopted public highway over which the DCO Applicant proposes only to carry out highway works or 'street works' under the DCO, and therefore land rights are not required. The parcels are included in Part 1 because there are interests in the subsoil and therefore, in strict accordance with the wording of the PA 2008 and the 2009 Regulations, these persons are "interested in the land" and the land will be subject to "rights to use the land".

Part 2

- 2.13 Part 2 must contain the names and addresses for service of each person within Category 3 (as set out in section 57 of the PA 2008).
- 2.14 Section 57 of the PA 2008 confirms that a person is within Category 3 if the applicant thinks, if the order sought by the application were to be made and fully implemented, the person would or might be entitled as a result of the implementing of the order, as a result of the order having been implemented or as a result of use of the land once the order has been implemented to make a relevant claim. A person is only within Category 3 if the person is known to the applicant after making diligent inquiry.
- 2.15 A "relevant claim" for the purposes of Part 2 is defined in the PA 2008 as:
- A claim under section 10 of the Compulsory Purchase Act 1965 (compensation where satisfaction not made for the taking, or injurious affection, of land subject to compulsory purchase);
 - A claim under Part 1 of the Land Compensation Act 1973 (compensation for depreciation of land value by physical factors caused by use of public works); or
 - A claim under section 152(3) of the PA 2008.
- 2.16 Part 2 of this Book of Reference has been divided into two sections:

- Part 2a covers qualifying persons under section 10 of the Compulsory Purchase Act 1965 and section 152(3) of the PA 2008; and
- Part 2b covers qualifying persons under Part 1 of the Land Compensation Act 1973 (claims which may be brought as a result of the use of the works rather than the execution of the works). The DCO Applicant does not consider that there are any potential claimants in this regard and there are therefore no entries in Part 2b.

2.17 The Statement of Reasons (**Document DCO 4.1**) contains further detail on the conclusions of the DCO Applicant's assessment of Category 3 persons.

Part 3

2.18 Part 3 must contain the names of all those entitled to enjoy easements or other private rights over land (including private rights of navigation over water) which it is proposed shall be extinguished, suspended or interfered with. It contains the detail of those interests the holder of which is noted in column (6) of Part 1.

Part 4

2.19 Part 4 must specify the owner of any Crown interest in the land which is proposed to be used for the purposes of the order for which application is being made.

2.20 The DCO Applicant has not identified any Crown interests and therefore this part has no entries.

Part 5

2.21 Part 5 must set out land the acquisition of which is subject to special parliamentary procedure, which is special category land, which is replacement land, and for each plot of such land within which it is intended that all or part of the proposed development and works shall be carried out, the area in square metres of that plot.

2.22 The DCO Applicant has identified 6 plots of land within the Order Limits identified as special category land comprising open space land situated to the south of Charnwood Avenue, Castle Donington (being plots 2/19, 2/20, 2/21, 2/22, 2/23 and 2/24 as shown on sheet 2 of the Land Plans (**Document series DCO 2.2**).

2.23 The Statement of Reasons (**Document DCO 4.1**) explains how this land is affected by the DCO Scheme and the DCO Applicant's approach to the powers sought over it.

3 Land Plans

- 3.1 The land shown tinted pink on the Land Plans (**Document series DCO 2.2**) is proposed to be subject to the compulsory acquisition of the freehold, leasehold, tenant and/or occupier interests as well as the acquisition of existing rights pursuant to articles 22 and 24 of the draft DCO (**Document DCO 3.1**). It may further be subject to the creation of new rights pursuant to article 23 of the draft DCO. This land will also be subject to the general powers in Part 5 of the draft DCO such as article 25 being the power to override private rights where they are inconsistent with the authorised development.
- 3.2 The land shown tinted blue on the Land Plans is proposed to be use temporarily and be subject to the compulsory creation of permanent new rights pursuant to article 23 of the draft DCO. If necessary, this land will also be subject to the general powers in Part 5 of the draft DCO such as the power in article 25 to override private rights where they are inconsistent with the authorised development.
- 3.3 The land shown tinted yellow on the Land Plans is proposed to be subject to powers of temporary possession and use only pursuant to articles 32 and 33 of the draft DCO.
- 3.4 As explained at paragraph 2.12 above, land shown shaded green on the Land Plans is not proposed to be subject to any compulsory acquisition powers.
- 3.5 The Statement of Reasons (**Document DCO 4.1**) contains a detailed explanation of the purpose for which the land shown on the Land Plans is proposed to be subject to the powers pursuant to Part 5 of the draft DCO (**Document DCO 3.1**).

4 Book of Reference notes

- 4.1 All references to areas in square metres are approximate.
- 4.2 The term 'or thereabouts' is used after all plot area measurements as these measurements are given in square metres and each measurement is rounded up to the nearest whole square metre.
- 4.3 Each plot of land shown in this Book of Reference has been given a unique reference. The first number relates to the relevant sheet of the Land Plans (**Document series DCO 2.2**) on which the plot is located. The second number identifies the individual plots numbered sequentially on the sheet.

5 How to use this Book of Reference

- 5.1 The table below provides a step-by-step guide to enable any person with an interest in the land to identify how the DCO Applicant's proposals may affect the land in which they have an interest.

Step One	Look at the Land Plans (Document series DCO 2.2) and find the area (plot(s)) of land in which you have an interest.
Step Two	Note the colour and the number of the plot(s). The colour of the plot(s) (as explained in section 3 above) will tell you the power applied to the plot required.
Step Three	Use the plot(s) number to identify where the land is referred to in other DCO Application documents: • This Book of Reference which provides a brief description of each plot (including an approximate area measurement) and details of persons who own, lease or otherwise occupy or have an interest in the land. • The draft DCO (Document DCO 3.1) which contains the powers needed to carry out the DCO Scheme and includes the powers of compulsory acquisition to assemble the land required. • The Statement of Reasons (Document DCO 4.1), particularly Annex A, which provides details of the purpose for which compulsory acquisition and temporary possession powers are sought and references each plot in the Book of Reference to these purposes. • The Pre-application Land and Rights Negotiations Tracker (Document DCO 4.4) which contains a summary of the discussions / negotiations which have taken place to date.

Part 1

The East Midlands Gateway Phase 2 and Highway Order 202[]

1. Part 1: Categories 1 and 2

The East Midlands Gateway Phase 2 and Highway Order 202[]

Part 1: Categories 1 and 2					
Qualifying persons under regulation 7(1)(a) of the Infrastructure Planning (Applications: Prescribed Forms and Procedures) Regulations 2009					
(1) Number on Plan	(2) Extent, description and situation of land or right to be acquired	CATEGORY 1			CATEGORY 2
		(3) Owners or reputed owners	(4) Lessees, tenants, reputed lessees or reputed tenants	(5) Occupiers	(6) Other persons with interests
1/1	Permanent acquisition of all interests in 597,845 square metres, or thereabouts, of agricultural land, track and overhead electricity distribution line situated to the south west of Donington Park Services, Castle Donington except for those interests owned by Richard Charles Aldridge and SEGRO Properties Limited	Richard Charles Aldridge 47 Main Street Worthington Ashby-De-La-Zouch LE65 1RQ	NONE	Richard Charles Aldridge 47 Main Street Worthington Ashby-De-La-Zouch LE65 1RQ National Grid Electricity Distribution (East Midlands) plc Avonbank Feeder Road Bristol BS2 0TB <i>(in respect of overhead electricity distribution line)</i>	Caroline Anne Cotton c/o Nelsons Solicitors Limited Sterne House Lodge Lane Derby DE1 3WD <i>(see Part 2 for a description)</i> David Ronald Cotton 3 Old Hall Court Diseworth Derby DE74 2TL <i>(see Part 2 for a description)</i> John Cotton c/o Nelsons Solicitors Limited Sterne House Lodge Lane Derby DE1 3WD <i>(see Part 2 for a description)</i> Patricia Mary Cotton 3 Old Hall Court Diseworth Derby DE74 2TL <i>(see Part 2 for a description)</i> Ursula Caroline Delius 43 Clarendon Drive London SW15 1AW <i>(see Part 2 for a description)</i> HSBC UK Bank plc 1 Centenary Square Birmingham B1 1HQ <i>(as mortgagee to Richard Charles Aldridge in respect of a legal charge dated 24 September 2010 registered under title LT432725)</i>
