

The STE Express Registration

Please **[CLICK HERE](#)** to register for your STE Express pass

- Once you have registered, you will receive your ticket by email within 24 hours. The email will be sent from **info@shuttleid.uk** so please check your junk or spam folder if you have not received it.
- For quick and easy access, you can add the link in the email containing your ticket to your home screen. This will create a Shuttle ID icon on your home screen, giving you one-tap access to your ticket and the live bus tracker.
- The STE Express pass cannot currently be added to your Apple Wallet or Google Wallet. We are working to introduce this feature in a future update.
- You can choose to receive service alerts by email or SMS. If you would like to receive SMS notifications, please ensure you provide a mobile phone number when registering.
- If you have any other queries, please email **customersupport@segro.com**
