IN THIS TOGETHER

All SEGRO customers benefit from dedicated Asset and Property Management teams, relationships that add real value to your business.

We're committed to providing ongoing support through high-quality service standards, flexibility and fast, innovative property solutions.

SEGRO has developed a close relationship with the local authority and is well placed to support you with introductions to key Council Officers and Councillors to support any planning or other requirements.

As part of our Responsible SEGRO framework, we also support the communities in which we operate. Through charitable funding and local partnerships, as well as employment, education, environmental, and supply chain initiatives, we ensure the community and local businesses benefit from our developments.
